

What they do...

ANTIQUE IMPROVER cleans, restores and reconditions existing finishes. It helps heal checking, hazing, cracking. Most light blemishes such as water marks and sun bleaching are reversed. Stripping is usually not necessary. Your valuable antique's authenticity and value is preserved.

Use *Antique Improver* as your maintenance product instead of modern petroleum-based furniture polishes. It is also the ideal final finish on stripped or new wood. *Kramer's Best Antique Improver* cleans and preserves metals, such as tools and guns, as well as the painted finish of antique toys and tins. Easy wipe-on, wipe off application takes only minutes.
